Email Directory on Back of Calendar

Annual Community Clean-Up Campaign

The City has been divided into **four pick-up areas**. The map on the back of the calendar indicates the sequence for the 2006 campaign. Note the new collection areas in Weeks 2 through 4. Residents should set out materials from their own home into the street **before 7 a.m. on Monday** of the week scheduled for their area, but not before the Saturday preceding their pick-up week.

Cut **all** brush and branches into 6-foot or less lengths, place in separate piles and place piles parallel to the curb (“clean wood” piles can be collected for recycling). Don’t forget that brush and branches can be set out each week in the City’s regular Clean Green collection. **Do NOT trim or remove City street trees.** This is a violation of City Code 12.35.020 and subject to a \$1,000 fine. Call 615-3080 for more information.

Appliances, televisions, computer monitors, and tires cannot go into the landfill and should be set out separately from the rest of your other materials. Special crews will pick up these items. It is the owner’s responsibility to **remove any door with latch mechanisms** prior to setout to prevent accidents.

Materials must be at **least three feet away from any obstructions**, fire hydrants, fences, poles, cars, trees, bushes, or walls. Do not block sidewalks. Do not place piles in alleys or private streets, or against fences, retaining walls, hydrants, or landscaping.

A total of one cubic yard of **concrete, asphalt, brick, rock, stone, dirt or sod** will be collected at no charge. **No contractor-generated materials** will be accepted.

A total of ten cubic yards of **tree trimmings/ removals and construction and demolition debris** (excluding concrete, asphalt, brick, rock, stone, dirt or sod) will be collected at no charge. Additional amounts will be subject to a charge of \$25 per cubic yard. **No contractor-generated materials** will be accepted.

No hazardous materials (including flammable liquids, crankcase oil, solvents, explosives, or live ammunition) will be collected. Contact the Countywide Household Hazardous Waste Program at 299-7300 to make an appointment to dispose of hazardous materials anytime throughout the year. An event will be conducted in the City of Santa Clara on April 22, 2006.

Materials are to be from your home only. **This service is not for persons living outside Santa Clara.** Call 615-3080 weekdays (615-5580 after 4:30 p.m. or on weekends) if you observe illegal dumping of materials.

Use the City’s **weekly curbside recycling program** to recycle used motor oil and motor oil filters, newspapers, glass, aluminum and metal cans, plastics #1 through #7, packing cardboard, mixed paper (e.g., magazines, junk mail, telephone books, etc.), kitchen scrap metal, Styrofoam packing blocks, and plastic bags. Call 615-2063 for information.

Charitable organizations will collect **salvageable items** if called: Salvation Army, 800-958-7825; Hope (for certain items), 748-2874; Goodwill, 998-5774 and others.

Violation notices will be left at homes where materials have been improperly set out. Call 615-3080 if you have questions.

Curbside Recycling Program: Aluminum and metal cans, glass containers, plastics 1-7, plastic bags, kitchen scrap metal, Styrofoam, mixed paper, newspaper, cardboard, magazines, used motor oil and motor oil filters are being recycled through this program. In addition, the program provides the opportunity for multi-family complexes to **sign up for recycling services** for a monthly, per-unit charge.

Violation notices will be left at homes where materials have been improperly set out. Questions? Call 615-3080

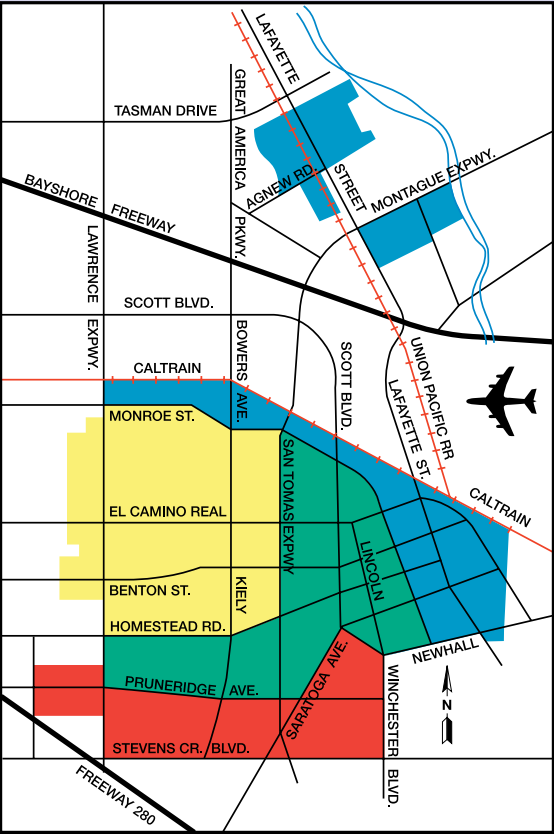

Notes
Week 1: Both sides of Monroe
Week 2: North side of Homestead between San Tomas & Lawrence.
Week 3: South side of Homestead between San Tomas & Lawrence; north side of Newhall between Saratoga and Winchester; west side of Saratoga between Scott & Pruneridge; north side of Pruneridge between Saratoga and Lawrence.
Week 4: South side of Newhall between Saratoga and Winchester; east side of Saratoga between Scott and Pruneridge; south and north side of Pruneridge west of Lawrence and east of Saratoga.
Call 615-3080 week days (or 615-5580 after 4:30 pm or weekends) to report illegal dumping of materials.

Please be careful to check the boundaries and set-out dates for your area.
